

Kindergarten Education Scheme

School-based Learning Activity of Chinese Culture

Display Form

PLK Mrs Chao King Lin Kindergarten

Name of School

2022-2023

School Year

K2

Grade Level

Name of Activity

Project Approach - Lunar New Year

Objective(s)

- Able to understand Lunar New Year customs
- Able to say the greeting phrases for Chinese New Year Visits

Brief Descriptions:

Children will vote to select their favorite Lunar New Year custom through a voting activity, which happens to be the Lion Dance performance. The teacher will watch a video with the preschoolers to learn the techniques and characteristics of the Lion Dance. Afterwards, they will have the opportunity to perform the Lion Dance together in the music room with their peers. In addition, the teacher will introduce other Lunar New Year customs to the children, such as spring cleaning, hanging couplets, and family reunion dinner. Various activities will be utilized to guide the children's learning and enhance their motivation to learn.
