Project Approach- Lunar New Year Fair

Objective(s)

- Know the origin of the Lunar New Year Fair.
- Know the New Year activities.
- Know what the Lunar New Year Fair sale.

Brief Descriptions:

As the Lunar New Year approaches, different places are filled with the atmosphere of the New Year and related activities are held continuously. The Lunar New Year market is one of the activities of the Lunar New Year. Children can learn about the Lunar New Year market by understanding the different items sold in the market, preparing and arranging venues in advance. On the eve of the Lunar New Year, a series of exploration activities with young children will be held to stimulate their own learning, satisfy their curiosity and develop their confidence.
