

Kindergarten Education Scheme

School-based Learning Activity of Chinese Culture

Display Form

Po Leung Kuk Mrs Chao King Lin Kindergarten

Name of School

2023-2024

School Year

K3

Grade Level

Name of Activity

Project Study- ink painting

Objective(s)

- Understand the customs of the New Year and the origin of ink painting
- Learn about traditional Chinese art through stories, videos, pictures, etc.
- Paint your favorite ink painting

Brief Descriptions:

China has a long history, and ink painting is the representative of Chinese painting art. We can arouse children's interest and curiosity in ink painting by letting them understand the history, tools, colors, techniques and styles of Chinese ink painting. Through a series of interesting exploration activities, children can not only enhance their understanding of ink painting, but also be guided to appreciate and learn excellent traditional Chinese culture and art, and enhance their sense of identity with Chinese culture.
