

English Fun Week

In order to encourage children to communicate in English and cultivate their interest in learning English. Our school has held an "English Fun Week" from May 3 (Monday) to May 7 (Friday), with a series of interesting and diversified English activities. Throughout the week, we have seen obvious changes in our children, and they have tried their best and were able to confidently communicate with others in English in a pleasant atmosphere.

Let's say Hocus Pocus!

"Three Little Pigs" Drama Fun

We deliberately chose a traditional tale "Three Little Pigs" to make children more involved in the plot of the story. Special thanks to our parents volunteer for their assistance in performing the English drama. After several practice and rehearsals, they brought lively and interesting performance to our children. They were also involved in watching the drama and helped the three little pigs to drive away the big bad wolf.

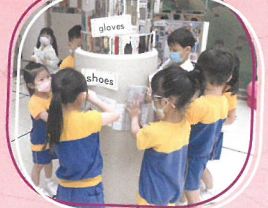

Wow, the pigs are so cute!

English Word Hunt

Children of different grades have played in different levels of word-finding games. They used what they have learned in lesson to match pictures and words and completed the bingo game. Children were also full of satisfaction after completing all the tasks.

Let's go on a word hunt!

Let's find the words and finish the sentences.

CKS Magic Show

Our children have become little magicians and they helped to read the Magic Spell "Hocus Pocus" together to participate in the magic performance. Among so many magic tricks, I like to make flowers out of an empty bags the most. How about you?

Amazing, Miss Shnha can do magic!

International Dress-Up Day

Children wore different national costumes on that day. This activity allows children to learn to respect different cultures. They have become little models to design their own actions in the Catwalk Show.

Hello! I come from Singapore. Nice to meet you.

We are little model!

We are wearing different cultures costumes.

Our teachers participated in the international day!

Are we handsome?

During the "Show-and-Tell" activities, children prepared some theme-related objects for sharing. Our Lower Class children have shared some transportation models and introduced them to the classmates, which have also increased their theme-related knowledge.

Our Upper class children are playing a game called [who took the cookie?] They sing nursery rhymes and have so much fun on it.

We have to insert the token and get the egg.

Yay, We have got the egg.

正向教育

本校推行正向教育已步進第三年，透過舉辦不同的正向活動、講座、工作坊等，讓家長和小朋友都能了解正向教育不同的範疇及體驗當中的意義。回望過去，本校的老師、家長都發現無論是小朋友還是成人自身都有不少的改變。以下是上高A班譚芷悠家長寫下對正向教育的感想：

我是上高A譚芷悠的媽媽，自從K1開始參加學校的正向教育子女課程至今，我學到了很多的育兒教養心得，令我受益匪淺。在沒有接觸正向教育之前，我在教養子女方面確實也有過其他媽媽也出現過的發脾氣、急性子、過份憂慮、自責的經歷，雖然自己的女兒也是比較乖巧的小孩，但偶爾也會有令我傷腦筋的時候，學習了正向教育之後我感覺母女之間的關係更融洽、更上一層樓。以前的我在教養方面遇到解決得不順利的問題的時候心情會著急，接著就是對著女兒發脾氣，我一發脾氣女兒也跟著哭鬧發脾氣不斷惡性循環，然後就是自責為什麼一個小孩子都教不好，是個失敗的媽媽。上完正向教育課程及靜觀教養子女課程後，我懂得處理自己的情緒，遇到緊張的事情會先讓自己進行「3分鐘呼吸空間」訓練先讓自己心情平靜，認識到解決問題之前先解決自己的心情，然後對孩子要給予她肯定的感同身受，讓孩子知道媽媽是理解她、明白她的感受的，這樣家長和孩子之間就免去了發脾氣的相互影響，雙方之間就更加正向、樂觀。通過課程我還學習到容讓壓力、傷感或憤怒的存在，面對它，與它們共處，懷著開放的心迎向這些感受，選擇合適的方法善巧的回應它們，處理教養問題時不必

處於戰戰兢兢，懷著初心，欣賞自己的孩子，她是上天賜給我的恩物，不是我的敵人。最後分享我課程中最喜歡的一句有關空中客機的金句：先替你自己戴上氧氣罩，再替你的孩子戴上。如果你不照顧你自己，你又怎能照顧別人呢？

在此本校感謝芷悠家長分享她的心路歷程及改變，相信不少家長都感到有共鳴，衷心希望各位家長也能感受及欣賞自己子女因著正向教育而生的改變。

此外，本校亦很榮幸邀請到友校到訪，參觀校園正向教育的佈置，互相交流；並到總局進行分享會，分享推行正向教育一直以來的歷程。希望在往後的日子裡，我們都能秉承正向的精神，將正向教育推廣到其他地方，使其延續下去。
