### Name of Activity

I am a Chinese artist.

### Objective(s)

- Get to know Chinese opera (Facemask and Clothing)
- Try to experience Chinese ink painting

### Brief Descriptions:

Professional tutors introduce the quintessence of China to children – “Chinese Opera”, including clothing, facial makeup, singing tone and gestures, so that children can initially understand and try to appreciate it; in addition, they also try to draw ink painting to let children know that the representative of Chinese painting – “Chinese painting” is only painted with a brush and ink, in which children can learn the special effects and beauty of ink painting.
