

# PO LEUNG KUK CHEUNG POON MEI YEE

## Birthday Newsletter

Hello everyone! We are finally at the last birthday party of the year! Everyone must be looking forward to celebrating this with their friends and teachers; especially our birthday boys and girls for July and August~!

The theme this time around is, "It's a Small World After All". Our school is like a small community where students come from different places. Therefore, for this birthday party under this theme, we have prepared a rich program including various games, performances and even birthday songs from around the world! We hope that our students will not only learn about the cultural differences of different countries, but that they will also learn to get along harmoniously with people of different races and accept those who are different from themselves, and to treat others kindly! We would love to see everyone wear clothing from different countries to join this very last party!

To enrich the activities, we sincerely invite parents from different nationalities to be our guest performers, showcasing unique talents from various countries such as traditional instruments, dances, singing and food. Parents who are **\*interested\*** (yes, YOU!), please contact our school office for Ms. Shiu or Ms. Zaira at 2109 0033 before 30<sup>th</sup> June. The children would be thrilled to see you at our birthday party!

★ Following are points to be noted regarding the Celebration ★

Theme: It's a Small World After All

Date: 11<sup>th</sup> July 2025 (Friday)

Attire: Clothes from different countries or casual wear

Please bring the party bag (pink tote bag)

Including handkerchief, water bottle and snack boxes

*\*There is no need to wear the school uniform or  
bring the school backpack on that day*

School hours will remain as usual
