

Birthday Newsletter

Hello children and parents!

Our "Birthday Newsletter" is back once again! This time, we are celebrating the birthdays for children born in November and December. We believe everyone is eagerly looking forward to celebrating these birthday gatherings together!

This birthday party is themed "**Children United, Joyful National Games**", and aims to join our children in welcoming a major national sporting event—the 15th National Games. This edition of the Games is co-hosted by Guangdong, Hong Kong, and Macau, which means some exciting competitions will be held in Hong Kong, such as track cycling, fencing, golf, rugby sevens, triathlon, and bowling, allowing everyone to experience the thrilling atmosphere of top-level competition up close.

Through this birthday party, we hope to introduce children to these sports, let them feel the joy firsthand, and share that happiness and pride with their family and friends. We will be preparing a fun-filled day with activities including various sports experiences, performances, and videos, so the children can participate, develop a love of sport, and nurture perseverance. In addition, we invite all children to wear sportswear or sporty/casual clothing on the day to join the celebration. We hope the children will inject vitality into their lives through the games and be brave in facing new challenges!

Following are the points to be noted regarding the Birthday Party (November and December)

Theme: **Children United, Joyful National Games**

Date: 27th November 2025 (Thursday)

Time: School hours will remain as usual

Clothing: Different sportswear or casual clothes (sports patterned can be worn as well)

Others: Bring along the plastic tote bag (pink bag), water bottle, student card and

temperature card

(Students need not wear their school uniforms and bring their school bags)
