生日會通訊

親愛的小朋友、爸爸、媽媽，大家好！

開學了一段日子，小朋友是否已經投入校園生活呢？尤其是新加入的幼兒班小朋友，希望大家都能慢慢適應新的環境，體驗上學的樂趣。

是時候通知各位，本學年我們會每兩至三個月舉行一次生日會，而每次的主題都不同，藉此讓小朋友體驗多元化活動及難忘的生日派對。以後每兩至三個月便會看到我們發給各位的生日會通訊了！

是次的生日會主題是「有趣的動物王國」，為了讓小朋友能更投入生日會的歡愉氣氛，我們鼓勵小朋友於當天穿著動物造型的服飾參與派對。老師們已精心設計了多種遊戲及有趣的舞蹈讓小朋友參與，相信大家都十分期待生日會的來臨。

最後，本園提醒家長，為培養學生「環保及儉樸」的觀念及當日不設茶點時間，家長無需為子女準備生日蛋糕或食物，也不會替學生轉送任何賀卡、禮物或食物予其他小朋友，敬請家長合作！

Po Leung Kuk Cheung Poon Mei Yee Kindergarten Birthday Newsletter

Hello Boys & Girls, Daddies & Mommies!

After starting the school for almost a month, do you think our students have already adapted to coming to school? Especially our newly joined K1 students, we hope that they are able to gradually adapt to their new environment and can experience the fun of coming to school.

For this school year, our school will be holding a wonderfully themed birthday party every two to three months, with the theme being different each time to give the children a diversified experience and an unforgettable birthday party. So when you receive a birthday newsletter like this one, then you know that a party is on its way!

The theme of our first birthday party is “Funny Animal Kingdom”. In order to get our children involved to the joyous atmosphere of the birthday party, we highly encourage wearing animal costumes to the party on that day. Our teachers have designed a variety of games and dances for our children to participate in. We believe that everyone will be looking forward to the birthday party!

Finally, our kindergarten would like to remind parents that in order to cultivate students’ concept on “Environmental Protection and Frugality” and the fact that there is no snack time on that day, parents are encouraged not to prepare birthday cakes or food for their children, as well as birthday cards, gifts or various snacks for the other students as well. We hope parents can cooperate, thank you!

☆Following are the points to be noted regarding the Birthday Party☆

Date: 30th September 2022 (Friday)

Time: School hours will remain as usual
