**Name of Activity**

Parent-child paper lantern workshop

**Objective(s)**

- Allow parents and students to experience traditional paper-making techniques
- Enhance parents' and students' understanding of Chinese culture
- Strengthen parent-child relationships through making traditional Chinese paper lanterns

**Brief Descriptions**

To celebrate the Mid-Autumn Festival, our kindergarten hosts a parent-child paper lantern workshop. The workshop, taught by a paper lantern craftsman, allows parents and children to learn about and experience the culture and techniques of traditional paper lantern making. Through this parent-child learning activity, we aim to enhance parents' and students' understanding of Chinese culture and deepen students' sense of national identity.
