Flag Raising Ceremony

Objective(s)

- Understand the national flag and the etiquette of raising the national flag
- Understand the flag raising ceremony and learn to demonstrate a solemn and respectful attitude when the national anthem is played
- Develop a preliminary understanding of the national flag, national anthem and national emblem, and cultivate a sense of national identity from a young age

Brief Descriptions:

Schools conduct flag-raising ceremonies during the morning/afternoon assembly on the first school day of the week, allowing young children to learn the etiquette and relevant knowledge and attitudes of the flag-raising ceremony, and foster a sense of national identity. flag-raising ceremonies are also held when celebrating New Year's Day, the establishment of the Hong Kong Special Administrative Region, and National Day, so that young children can establish a good sense of citizenship.

Chinese Mid-Autumn Festival Celebration

Objective(s)

- Understand the food and celebratory activities of the Mid-Autumn Festival
- Enhance children's understanding of Chinese traditional festival culture
- Experience the atmosphere of the festival

Brief Descriptions:

Through activities such as Mid-Autumn Festival stories, making small lanterns, and introducing traditional festival foods, children can learn about the origin and traditional customs of the Mid-Autumn Festival, experience the festival atmosphere together, and further understand the traditional culture of Chinese festivals.

Parent-Child Lunar New Year Celebration cum Chinese Culture Day

Objective(s)

- Understand the food and traditional customs of the Lunar New Year
- Enhance children's strong interest in Chinese culture
- Experience the festive atmosphere

Brief Descriptions:

Chinese New Year is one of the traditional Chinese festivals. Our school organized a parent-child booth game activity, where the children wore traditional Chinese costumes and experienced the atmosphere of Chinese New Year together with their parents. In addition to the lion dance and plucking greens games, there were also booths for block printing New Year's Fai Chun, blowing sugar, making flour dolls, and experiencing blue-and-white porcelain. These activities allowed the children to understand and experience traditional Chinese folk art and culture.

Po Leung Kuk "Preschool-Primary Alliance" Chinese Culture Performance

Objective(s)

- Promote Chinese culture to the public
- Increase children's interest in learning and appreciating Chinese cultural arts
- Foster a sense of national identity and ethnic sentiment

Brief Descriptions:

This performance is participated by preschool and primary students from the organization's kindergartens and schools. Through performances reflecting the essence of Chinese culture, such as dances, martial arts, Cantonese opera, ethnic musical instrument performances and singing, the children can gain a deeper understanding of the excellence and inherent meaning and value of Chinese cultural arts.

Tuen Ng Festival Activities

Objective(s)

- Understand the food and celebratory activities of the Dragon Boat Festival
- Enhance children's strong interest in Chinese culture
- Experience the festive atmosphere

Brief Descriptions:

The Dragon Boat Festival is a traditional festival commemorating Qu Yuan. The school organized a dragon boat racing activity, allowing students to experience the joy of dragon boat racing, making zongzi (rice dumplings), and listening to stories. Through this, children can learn about the history and customs of the Dragon Boat Festival, and foster interest and respect for Chinese culture.

Visit to Ocean Park - Exploring the Panda Habitat

Objective(s)

- Understand the characteristics and living habits of pandas
- Recognize pandas as China's national treasure
- Foster a sense of caring for animals and conservation awareness

Brief Descriptions:

K1 students participated in the Ocean Park Academy's nature experience class - "Exploring the Panda Habitat". Through interactive theater and observation of the pandas' living environment, physical characteristics, and their relationship with their habitat, the children can learn in an entertaining way, deepen their understanding of panda behavior, and appreciate the importance of animal conservation.

Visit to Museum of Tea Ware

Objective(s)

- Gain basic understanding of the history of tea drinking in China
- Recognize tea culture as part of traditional Chinese culture
- Learn the attitude and appreciate the tea ware culture

Brief Descriptions:

Within the "China" thematic teaching, the teacher arranged for the children to visit the Tea Ware Museum. Through experiencing different tea wares, the children can deepen their understanding of tea art and cultivate their interest in traditional Chinese culture.
