Dear Principal,

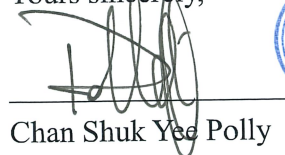

I am pleased to inform you that J.1 TAM YIK TUNG (譚奕彤), a former student of your school, performed very well in the final school term of this academic year (2023-24). She obtained the following award:

During the past year, we have been glad to see that your graduates, who are now studying in our school, have shown enthusiasm in learning, she has developed sound characters and has adapted to the new learning environment well. There is no doubt that the solid foundations provided by your school were instrumental in these achievements. Let me take this opportunity to thank your school for all that you have done.

We hope we can have the opportunity to cooperate with your school for the better education of the youth. Please feel free to contact me on 2625-0766, should you have any questions.
