Activity Name

K3 Visit to the Legislative Council Complex

Activity Introduction

Teachers led K3 students on a visit to the Legislative Council Complex to help them understand how the Hong Kong government operates. The children learned about the role of the Legislative Council and how laws affect our daily lives. Through this visit, they were able to enhance their understanding of local culture and experience the joy of being a little citizen!

Activity Name

PLK Kindergartens-Primary Schools Alliance - Campus Music Ambassador Visit to the Elderly Centre

Activity Introduction

K3 students visited an elderly centre together with primary school students to bring music, joy and warmth to the elderly residents. This visit not only allowed students to learn about caring for society but also enhanced their understanding and respect for the elderly. Through music, students had the opportunity to communicate and share happy moments with the seniors!

Activity Name

Po Leung Kuk Charity Walk

Activity Introduction

Po Leung Kuk organized a charity walk, providing young children with an opportunity to learn about caring for the community. During the event, children participated alongside their parents, walking together to understand the meaning of charity and social responsibility, benefiting the community. This activity not only promoted interaction between parents and children but also allowed young learners to grasp the values of teamwork and sharing in a relaxed atmosphere.

Activity Name

K2 and K3 Participation in Various Primary School Activities

Activity Introduction

To help K2 and K3 students adapt more easily to Primary One life, they participated in various primary school activities. These included the Sports Day of Po Leung Kuk Lam Man Chan English Primary School, the "Sau Nan Children's Cantonese Opera Learning Achievement Sharing Concert" and "Games Day" at Po Leung Kuk Ho Sau Nam Primary School, as well as the "Kindergartens-Primary Schools Alliance" STEM Parent-Child Experience Day. These activities provided young learners with diverse experiences, helping them feel more adaptable, confident, and excited about their upcoming primary school life.

Activity Name

K1 Visit to the Health Education Exhibition & Resource Centre

Activity Introduction

K1 students visited the Health Education Exhibition & Resource Centre to learn about basic hygiene knowledge and ways to maintain health. The experience encouraged them to apply these principles in their daily lives. In a fun and engaging environment, the children discovered how to care for their own health and the health of others, increasing their interest in hygiene.
