## 學校課程及教學特色 School Curriculum & Learning Approach

- 課程以幼兒為主導，依據教育局《幼稚園教育課程指引》，編排全面而均衡的跨學科校本課程，內容涵蓋「品德發展」、「認知和語言發展」、「身體發展」、「情意和群性發展」和「美感發展」五項發展目標，致力培育幼兒之思維及解難能力。

Based on the principles of fostering children's comprehensive and balanced development, the Kindergarten Curriculum aims to help children achieve five developmental objectives, namely "Moral Development", "Cognitive and Language Development", "Physical Development", "Affective and Social Development", and "Aesthetic Development", with a view to nurturing children to attain all-round development in the domains of ethics, intellect, physique, social skills and aesthetics, we are committed to cultivate children's thinking and problem-solving skills.

- 培育幼兒兩文三語發展，提供具趣味性及科學探索元素的英語及普通話學習活動，營造輕鬆愉快學好外語的學習平台，提升幼兒聽說能力。本園積極推行正向教育，培養幼兒從小建立正向思維及幸福感，發展個人性格強項，從而認識自己的潛能，增加自信心。此外，透過舉行課程以外的趣味活動，例如：不同主題的生日會、中西方節日慶祝會及中國文化藝術體驗等，提升幼兒學習的樂趣，享受校園生活。To nurture children's biliterate and trilingual development and to provide English and Putonghua learning activities with interesting and scientific exploration elements. Create a learning platform for learning foreign languages easily, happily and improve children's listening and speaking skills. The kindergarten actively promotes positive education, cultivates the kindergarten children to establish positive thinking and sense of happiness from an early age, developing personal character strengths, from recognizing your own potential to increase your self-confidence. Holding fun activities outside the course, such as birthday parties with different themes, Chinese and Western festival celebrations and Chinese culture Art experiences, etc, enhances children's learning with fun and enjoying school life.
