

啟迪潛能 樂學童行 Joyful Learning Together

本校以「自由遊戲」為主導，融合創科探索、健康發展、低碳生活及國民教育，以兩文三語讓幼兒在跨學科探索中享受無窮樂趣，締造自然語境學習。

Anchored in free play, our curriculum seamlessly weaves together STEM exploration, physical well-being, sustainable living, and national education—creating a natural language environment where children thrive through the joy of interdisciplinary learning.

課程及學校特色 Curriculum and School Features

課程高度重視遊戲對兒童全面均衡發展的價值，將其視為學習歷程中不可或缺的核心要素。在課程架構的規劃上，乃至於教學資源的系統性配置，皆以支持高品質遊戲經驗為優先考量。兒童能於自在的氛圍中，透過遊戲自然萌發對知識探索的內在興趣與學習熱忱，進而誘導其主動發問、嘗試解決問題，逐步建構自主學習能力。學習環境的營造，旨在使每位兒童均能感受到被接納與信任，並在正向支持的氛圍中，逐步建立起穩固的自我價值感與面對挑戰的積極態度。

Our curriculum highly values the role of play in a child's holistic development, viewing it as an essential core of their learning journey. Everything from our curriculum framework to the systematic distribution of learning resources is designed to prioritize high-quality play experiences. In this comfortable and pressure-free environment, children naturally spark their inner curiosity and passion for learning through play. This inspires them to ask questions, solve problems, and gradually build independent learning skills. We aim to create a learning space where every child feels accepted and trusted, helping them build a strong sense of self-worth and a positive attitude toward challenges in a supportive environment.

招生資訊 Admissions Information

學制 Education System :

半日制 (幼兒班、低班、高班);

Half Day Classes (K1, K2, K3)

報名方法 Application Methods:

1. 親臨本園索取報名表格
Obtain from school in-person
