課程特色

啟迪潛能 樂學童行

高度重視遊戲對幼兒全面均衡發展的價值，將其視為學習歷程中不可或缺的核心要素。在課程架構的規劃上，乃至於教學資源的系統性配置，皆以支持高品質遊戲經驗為優先考量。幼兒能於自在的氛圍中，透過遊戲自然萌發對知識探索的內在興趣與學習熱忱，進而誘導其主動發問、嘗試解決問題，逐步建構自主學習能力。學習環境的營造，旨在使每位幼兒均能感受到被接納與信任，並在正向支持的氛圍中，逐步建立起穩固的自我價值感與面對挑戰的積極態度。

Learning Approach

We believe high-quality play is the foundation of early childhood development. By placing play at the core of our curriculum, we create a stress-free environment where curiosity thrives. Children learn to think critically, solve problems independently and take ownership of their learning journey. Surrounded by trust and acceptance, our students build the self-worth and confidence they need to tackle any challenge ever comes across.

推動自由遊戲

本園一向重視發展幼兒高階思維，達至全人發展；自由遊戲的精髓在於「兒童主導」，由幼兒自主決定「玩什麼、怎麼玩、何時玩、與誰玩」，透過自由探索來發展創造力、解難能力與自信心。

Promoting Free Play

We place great emphasis on nurturing critical thinking to support every child's holistic development. All our free play sessions are entirely led by child own-self, children decide what to play, how to play, when to play and with whom to play. Through self-directed exploration, young learners naturally develop creativity, problem-solving skills and lasting self-confidence.

設計活動

探究式學習能誘導幼兒提升學習興趣，本園每年均會進行兩次設計活動（Project Approach），以幼兒興趣為核心，透過深入探究主題，顯著提升學習動機。幼兒在實踐中學會主動提問、搜集資料與合作解決問題，有效激發高階思維與批判性思考能力。此外，跨學科的整合學習能促進語文、數理及藝術等全人發展，並建立自信心與自主學習態度，為未來學習奠定堅實基礎。

Project-Based Learning Discovering Wonders

Young minds thrive when driven by curiosity. Twice a year, our kindergarten launches Project Approach activities centered entirely on the children's own interests, sparking a genuine interest for discovery through deep thematic exploration. Through hands-on experiences, children learn to ask insightful questions, research information and work together to solve real-challenges and problems. This child-led process naturally develops critical thinking skills. By seamlessly integrating literacy, numeracy and the creative arts, our interdisciplinary approach nurtures holistic growth, builds self-confidence and fosters independent learners ready for a lifetime of success that lasts.

參觀活動

為增加幼兒的生活經驗，拓展學習視野，本園特意為幼兒安排多元化的參觀活動，例如：香港兒童探索博物館、香港海洋公園、陽光笑容小樂園、水之園、愛護動物協會等，藉此增加幼兒對社會的認識。

Learning through Adventures

Field Trips & Excursions

We believe learning is not limited to a classroom. Real-world discovery brings learning to life! We organize a wide variety of engaging, hands-on field trips designed to spark curiosity, broaden horizons and deepen our students' connection to the world.

To emphasis this idea, we organize exciting visits to interactive destinations such as the Hong Kong Children's Discovery Museum, Ocean Park, Sunshine Smiles Park, Water Zone and the SPCA. During where children explore new environments, build empathy and gain a richer, practical understanding of their local community and society.

Uniform Groups

Building Character, Leadership & Community

Good character begins early! Our kindergarten offers dedicated uniform groups, including the Flag-raising Team, Happy Bee and Grasshopper Scouts, giving children a gentle first step into structured teamwork skills development. Through ceremonial traditions, collaborative challenges and badge-earning activities, young learners cultivate self-discipline, mutual respect and a strong sense of belonging. As children complete tasks, earn badges and support their peers, they build lasting self-confidence, personal responsibility and social skills that set a firm foundation for their overall wellbeing.

多元化慶祝活動

本園於不同節日舉辦相應慶祝活動，讓幼兒認識節慶文化和習俗，部份項目更邀請家長一同參與，如：中秋節慶祝會、感恩節、聖誕親子嘉年華、農曆新年親子慶祝會、主題生日會等，此外，本園每年均會為高班畢業同學安排到主題樂園拍攝畢業相片，家長亦可一同參與，為畢業生留下珍貴的回憶。

Festive Celebrations & Cultural Learning

Life in our kindergarten is rich with joy, culture and shared memories! Throughout the year, we host vibrant celebrations for diverse festivals, giving children a fun, hands-on way to explore dynamic cultural customs and holiday heritage. We deeply value family connection and warmly invite parents to join in many of our special events including Mid-Autumn Festival Gathering, Thanksgiving Celebration, Christmas Parent-Child Carnival, Lunar New Year Festivities and monthly thematic Birthday Parties. For our graduating K3 students, we celebrate this major milestone with an unforgettable annual Graduation Photo Shoot at a theme park, welcoming parents to join and capture memories that will last a lifetime.
