Goal

- Get to know traditional Chinese food.
- Learn about Chinese buildings.
- Understand the characteristics of Chinese culture.

Introduction

- Make Chinese delicacies by hand
 - ✓ In different festivals, make traditional Chinese delicacies with children (glutinous rice balls, dumplings, maltose crackers...) and taste them together.
 - ✓ Parents are invited to assist and share their experience of making Chinese traditional dishes
- Follow the trail and admire the traditional Chinese buildings
 - ✓ Through parent-child picnic activities and visits to the Ping Shan Cultural Heritage Trail, children can learn about Chinese architecture and feel the artistic sense of the buildings.
