Traditional Festivals

Goal

- Learn about the origins, customs and foods of different traditional festivals in China.
- Understand the meaning behind traditional customs.
- Experience Chinese culture and enjoy the festive atmosphere of the festival.

Activity introduction

- Mid-Autumn Festival: Lantern Festival
 - ✓ Offer the opportunity for children to eat mooncakes and festive fruits (starfruit, persimmon) to experience the feelings of the Mid-Autumn Festival.
 - ✓ Parents and children make environmentally friendly lanterns. While feeling the atmosphere of the festival, it also brings out important messages in support of environmental protection.
- Dragon Boat Festival
 - ✓ Let the children cooperate with others to experience the fun of dragon boat races.
 - ✓ Invite parent volunteers to demonstrate the wrapping method of rice dumplings and taste traditional festival food together.
