

# Kindergarten Education Program

## Chinese Culture School-based Learning Activities

### Content of Activity

Po Leung Kuk Tin Ka Ping Siu Hong Kindergarten

School Name

2023-2024

School Year

K2, K3

Class

Activity

Traditional Festivals

Goal

- Learn about the history, customs and food of Chinese New Year.
- Understand the meaning behind traditional customs.
- Experience Chinese culture and enjoy the atmosphere of the festival

Introduction

- Lunar New Year: Lunar New Year Fair
  - ✓ Jointly decorate the school campus with parents. Organize a Lunar New Year Market in the school to let children experience the vibrant culture of Chinese New Year.
  - ✓ The children go shopping together with peers and get to know about different Chinese artworks and New Year's food.
  - ✓ Children learn to respect the peers and understand the importance of money management.
- Lunar New Year: Parent-child Traditional Chinese Outfit Day
  - ✓ Encourage parents and children to wear traditional Chinese costumes to participate in different activities at the school (Chinese parade, making Chinese Artworks, tasting traditional Chinese food, Chinese mask changing performances, appreciation of Traditional Chinese music and dance) and feel the atmosphere of the festival.
