

# Po Leung Kuk Yip Ng Bun Bun Queen's Hill Kindergarten 2023-24 Use of Kindergarten Activity Subsidy

## Playscope

Any behavior or process initiated, controlled, and structured by children themselves.

Play is driven by intrinsic motivations and undertaken for its own sake, rather than a means to an end.

Play may take infinite forms, but the key characteristics of play are fun, uncertainty, challenge, and flexibility.

Through high-quality, fun and varied indoor free play spaces, children learn to enjoy free play **independently and safely!**
